Subject: Covington Park Proposal
Attachments: Covington Park Proposal 106837.xlsx

Hello Jim,

Please see the attached proposal for the trees at Covington Park. Please note that 95% of the trees on this list will require a lift to get to and will create an immense amount of trash. The price reflects these as well as the time factor.

Additionally, once you prune these trees, you should not need to have them touched again for several years.

Have a great day!

Taylor
